

Thank you for your recent course registration. This program is to be held at the Hotel Grand Chancellor located at 65 Hindley St. Adelaide. Directions to the conference room will be sign posted from the foyer. Please follow this link for a map of the venue <http://goo.gl/maps/tONSp>

Registration will take place between 8.15am and 8.45am to allow the program to start promptly at 9am. At registration you will be given a workbook of lecture outlines with references and a 4 colour pen to aid note and diagram taking.

While attending the course you will be required to wear a name tag (supplied) to allow the hotel staff to identify our group for catering purposes, especially at the buffet lunch. This also makes it easy to remember names of colleagues you are meeting for the first time at the course. As you will be in an air-conditioned venue, we suggest you dress in layers for comfort.

**Car parking** can be accessed from Clubhouse Lane. The hotel car park is underneath the hotel, and is only available to those with accommodation booked at the hotel; commercial rates apply. There is also a commercial car park in Clubhouse Lane and several others nearby.

If you are travelling some distance to attend the course you may wish to arrange accommodation. Discounted conference **accommodation** rates have been arranged with the Hotel Grand Chancellor Adelaide on Hindley from \$155 per night, subject to limited availability. Breakfast is an additional \$15 per person per night and needs to be booked with the accommodation to receive this special rate. Please mention the function you are attending to obtain the discount. Enquiries regarding accommodation and bookings at the Hotel Grand Chancellor can be made on (08) 8231 5552. Alternatively you may be able to obtain cheaper rates at this and other city hotels on the many internet accommodation booking sites.

If you have any questions, or would like further information, please contact us.

We look forward to seeing you at the course.

Yours sincerely,

Critical Care Education Services Team.
